“  
*Since 2007, Ebel has partnered with Trees for the Future.*  
”

TREES is an organization committed to promoting agroforestry and providing renewable energy to impoverished areas. For every piece of furniture we produce, Trees for the Future plants one tree.

Trees for the Future operates in degraded and deforested

regions, tackling climate change and world hunger. Farmers are trained to sustainably revitalize their land. This provides sources of food they otherwise would not have access to. Through TREES' Forest Garden Approach, farmers plant thousands of trees that provide protection and nutrition. Their gardens and soil are restored through nitrogen fixation.

This helps farmers grow a variety of fruits and vegetables. Forest Garden farmers gain increases in income and food security, even in the first year.

Learn more about the good TREES is doing at their website [trees.org](https://trees.org) or follow them on social media: [@treesforthefuture](https://twitter.com/treesforthefuture).

## Revitalize

## Farming

## Carbon

## Survival

## Bellino Round Fire Pit

### With Offset Burner

The Bellino Round Fire Pit is constructed of a powder coated aluminum frame with a smooth finish that resembles concrete. The offset, adjustable burner combines the best of both worlds - making it possible to either warm those that gather around it or simply provide cozy lighting for a relaxing evening. Fashion and function, at its best!

## Taos & Trevi Fire Pits

### Now Available In Graphite

Our timeless Taos and Trevi fire pits can now be seen in the Graphite finish. That includes all of the existing pits and our brand new Trevi XL Fire Pit. An exciting expansion of options for any luxurious locale and design preference.

## Antibes Cushionless

### Lazy Luxury

Just like our original Antibes collection, the Antibes Cushionless Club Chair is constructed of a lustrous aluminum frame with a sophisticated & stylish open weave pattern. The all-weather wicker appears to be borrowed from an old leather chair and sits just as well - no cushion required. Luxury comfort and sleek design meets low maintenance.

## Mia Sectional

### Magnified Comfort

We've expanded our Mia collection to include this modular and spacious sectional. Each deep, sleek section is designed for optimal relaxation, and is customizable for different sized spaces.

## Palermo High Back Sectional

### Clean Lines Extended

Once again, we've broadened our Palermo collection to include more high-backed seating. The Palermo High Back Sectional maintains the modern look while heightening your lounging experience.

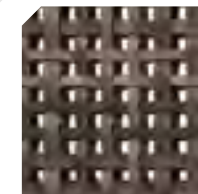

# Antibes

# 8 MILLION

*Pieces of Plastic Enter Our*

*oceans EACH DAY!*

**8.8 MILLION  
TONS**

of plastic enter our oceans  
and landfills each year.

**OVER  
50%**

of sea turtles consume  
plastic from our oceans.

**380  
MILLION**

plastic bags and wraps  
are used in the U.S. each  
year.

**LESS THAN  
20%**

of all plastics are recycled  
globally. Only 9 percent is  
recycled in the U.S.

**1 IN 3  
SPECIES**

of marine mammals have  
been found entangled in  
plastics.

**BY  
2050**

we will have more plastic  
in our oceans than fish.

# Care & Warranty

*Trust the quality and durability  
of Ebel furniture*

Not only is Ebel's outdoor wicker a relief on the environment, but it's also a breeze to maintain. This 100% weatherproof polyethylene weave allows for quick and easy cleaning with household cleaners.

Ebel cushions and pillows are warranted for a period of one year.

Cushions should be dried prior to storage to avoid mildew and cleaned professionally if heavily soiled. Enjoy years of comfort and satisfaction knowing Ebel's 15 Year Limited Warranty covers any defects in materials or workmanship.

The full warranty is detailed in the dealer price list. Warranty exclusions consist of damage caused by acts of nature, unreasonable or abusive use, broken glass, spline that has been cut, and improper care or maintenance. Do not hesitate to contact your local dealer with any questions concerning the warranty or any Ebel products that interest you.

With Ebel, you receive not only the satisfaction of helping the environment, but also the reassurance that you'll be able to do so for years to come.
