Chateaux

Where it all began —
reimagined for today.

Three decades ago, **Chateaux** helped put **Ebel** on the map. Today, it's revitalized with the same enveloping **curved arms**, generous proportions, and warm woven character that first made it a customer favorite — now crafted with Ebel's **Eco-Weave** for lasting **all-weather durability**.

Pair it with any of our **performance fabrics** for a look that feels both **nostalgic** and **completely of the moment**.
